

WELLNESS FOR TWO IN COTTAGE „LAC“

The old Zagorje hut "Lac", in which people once had lived a rural life, is now a luxuriously equipped apartment with an outdoor whirlpool and sauna. It consists of a bedroom for two people, a living room with 2 extra beds and a bathroom, and the rustic decoration and the old Zagorje stove contribute to the romantic atmosphere. The exterior of the hut has been originally preserved, and the courtyard is fenced with an antique wooden fence and greenery to preserve the privacy of the guest.

In addition to renting the Lac hut, the „Mica“ hut can be combined in its arrangement, so a total of up to 6 people can stay.
