

SPA PACKAGE FOR TWO IN COTTAGE „IMBRA“

In the old vineyard lodge „Imbra“, where once the wine was kept, there is now a luxuriously equipped double bedroom. The cottage is renovated and built in the traditional spirit, but equipped with all the requirements and standards of modern tourism and with special care. It is covered with a thatched roof, the appearance is originally preserved and surrounded by an antique wooden fence to preserve the privacy of the guest. If you spend the night in this autochthonous cottage, the chirping of birds in the morning will not leave you cold.
